ABOUT THE LAKEWOOD CLUB

The Lakewood Club is located in Point Clear, Alabama on Mobile Bay's scenic eastern shore. Established in 1947, Lakewood is Baldwin County's premier golf club, celebrating 75 years in 2022. Two 18-hole golf courses showcase fairways lined with 200-year-old oaks and a dramatic signature hole, the 14th on Azalea. Lakewood expanded the club in 2005 with the addition of the Lakewood Club Tennis facility which boasts 10 tennis courts (nine hydro-courts and one hard court), the Sweetwater Café, a state-of-the-art fitness facility, lap pool, large feature pool, splash pad and waterslide.

In addition to the amenities at The Lakewood Club our members also enjoy amenities at the historic Grand Hotel Golf Resort & Spa, named one of the "Top 500 Hotels in the World" by *Travel & Leisure*. Our professional staff strives to offer something for each of our members, whether you have been a member through generations or are brand new to the area.

– We welcome you to our community.

1947:

The Lakewood Golf Club was officially founded with 18 holes of golf designed by Perry Maxwell.

1955:

Mr. E. A. Roberts sold the Grand Hotel to a massive conglomerate named Southern Industries which then transferred control to North Carolina businessman Malcom McLean. His brother, James K. McLean, oversaw the development of a 50-guestroom extension on the main building, the renovation of the Azalea and Dogwood golf courses, and the addition of the Bay House building which grew the hotel to 172 guest rooms.

1967:

A third nine-hole golf course named the Magnolia Nine and the first Conference Center were constructed.

1974:

The Lakewood Club hosted the U.S.G.A. Senior Women's Amateur Championship.

1979:

Hurricane Frederick struck the greater Mobile Bay area, leaving significant destruction in its wake and resulting in the closing of the resort. Roofs and 5,000 trees on the golf course were lost. The hotel reopened on April 10, 1980.

1981:

The resort's owner agreed to partner with Marriott International to help manage the resort and repair the damage wrought by the hurricane. Marriott invested \$50 million into completely renovating the facility, which lasted most of the decade. The North Bay House and Marina Building were added, bringing the total number of guest rooms to 306.

1983:

A fourth nine holes were added – this made for two 18-hole courses, the Dogwood and Azalea courses.

1986:

The Lakewood Club hosted the U.S.G.A. Senior Women's Amateur Championship for the second time.

2000-2005:

The Retirement Systems of Alabama continued improving the resort by initiating a series of renovations to the Azalea and Dogwood golf courses, spa, pool, and additional guest rooms. The company also constructed a series of condominiums, which introduced a new series of real estate opportunities for the resort.

2008:

Renamed The Lakewood Club with the addition of 10 tennis courts, an adult pool, feature pool, lazy river, waterslide, fitness center and a restaurant, Sweetwater Cafe.

2016:

"The Experience" opened in the spring of 2016. This new golf practice facility features private lessons (swing, putting, short game), junior clinics, league clinics, club fitting, skills challenges, and more.

2017:

The Grand began another magnificent transformation designed to recast the entire resort as a sanctuary of modern hospitality, from rooms refreshed in beautiful coastal hues and a complete redesign of our dining experiences, to a rejuvenating spa and thoughtful makeover of our conference facilities. Championship greens were added to the Dogwood course.

2019:

Championship greens were added to the Azalea course.

2021:

The Lakewood Club hosted the U.S.G.A. Senior Women's Amateur Championship for the third time.

2022:

Two championship croquet lawns opened on October 21.

2023:

11 Pickleball Courts opened on October 12.

GOLF

Established in 1947, The Lakewood Club is rich in history and also offers some of the finest golf in the South. The Lakewood Club features two 18-hole courses designed by three of the best known names in golf course design...Perry Maxwell, Joe Lee, and Ron Garl. The 7,202 yard Azalea Course features nine holes in a unique format. It showcases classical architectural features such as natural sand waste areas and Scottish bulkhead walls as it weaves around spring-fed lakes, magnolia trees, and moss-draped oaks. The Dogwood Course, 7,104 yards, has separate nines. On the par 72 course, elegant 300-year-old moss-draped oaks greet Dogwood Course golfers. Even the most experienced golfers are challenged by the undulating fairways and well bunkered greens.

TENNIS

The Lakewood Club's professional tennis facility is designed to be enjoyed by players of all ages and skill levels.
