AT THE GRAND

SERIOUS RELAXATION. WELCOME TO THE RTJ SPA TRAIL.

First came great golf in 1992. Next, luxury 4 diamond hotels. Now, the addition of world-class spas and enhancements to the RTJ Spa Trail. Let the pampering begin. From traditional warm stone massages to red carpet ready facials, the RTJ Spa Trail features six spas across Alabama offering innovative treatments in exquisite settings. With nearly 80,000 square feet of space collectively, the Spa Trail locations feature 49 treatment rooms for relaxing and rejuvenating experiences.

We hope you enjoy your spa visit. Our spa professionals are ready to take great care of you.

RTJ SPA TRAIL LOCATIONS: Spa at the Shoals (Florence); Spa at Ross Bridge (Hoover); Spa at Grand National (Opelika); Spa at Montgomery; Spa at the Battle House (Mobile) and Spa at the Grand (Pt. Clear).

MASSAGE

THE GRAND ARTISAN SIGNATURE MASSAGE

Using a custom blend of signature oils and creams, specifically designed for the Grand Spa, our skilled massage therapists will apply a collection of modalities to ease tension, relax the body, and calm the mind. We welcome our spa guests to request any modality of their choosing or a combination of Deep Tissue, CranioSacral Therapy, or Swedish Massage. Our signature service includes a botanical warm compress, complimentary hydrating service for the hands or feet, and is sure to leave you saying, Spaaaahh...

CBD SOULFUL MASSAGE

Bring harmony to the body with this organic CBD and passionflower enhanced service that cares for tired muscles, soothes skin and re-boots the mind. The 50 minute includes, massage using CBD balancing oil and your choice of CBD restore balm on the hands or feet. The 110 minute includes, CBD balancing oil, scalp treatment, hand and foot wrap using CBD restore balm, warm stone sampling using CBD relief balm, and CBD facial massage.

50m | 110m

THE BAYSHORE SCRUB

With all of the benefits of our custom massage, this clarifying service includes a full body exfoliation to remove dead skin cells from the body and clarify the skin. This body polish allows the full benefits of our customized moisturizers and oils to penetrate the skin for ultimate hydration during the custom massage portion of the service.

Please do not shave 24 hours before this service

ASHIATSU – ASIAN BAREFOOT MASSAGE

A centuries old technique within a modern sanctuary. The Ashiatsu massage is a barefoot massage performed by the therapist's feet using deep gliding strokes. This modality is perfect for those who love deep tissue and relaxation or wanting to try something new and luxurious.

110m

THE GRAND SIGNATURE WARM STONE MASSAGE

Enjoy the warming benefits and deep relaxation of a warm stone massage. Warm stones are used in this service with gliding strokes, and placed at energetic points along the body to induce total body relaxation.

110m

MATERNITY MASSAGE

The miracle of life is hard at work during a Mothers pregnancy. Mother's-to-be will enjoy this pre-natal massage using coconut butter either side-lying or using pre-natal specific bolsters supporting their bodies to receive the full benefits of massage. Pregnancy massage may be performed up until delivery and assists in alleviating aching hips, back, and legs. Babies love it too!

50m | 110m

COUPLES MASSAGE

The perfect experience for those looking for quality time with a loved one. We welcome all couples or friends to enjoy one another's company in this pampering custom massage for two.

50m | 110m

CUPPING THERAPY

Using unique tools for cupping therapy, your therapist will place these cups along areas of tension and with light suction, gently glide them along the skin. For particular ailments or to assist with knots they may “park” the suction cup in one specific area allowing the tissue to breath. Strokes are guided in the direction of your lymphatic system and waste is eliminated from your body naturally. Cupping may leave temporary and natural markings on the skin based on skin sensitivity.

Dermaplane

THE GRAND ARTISAN SIGNATURE FACIAL - *European Deep Cleanse*

This services begins with a welcoming massage of customized formulations utilizing a 3 stage multifaceted approach. Biologique Recherche's products do not use heat or steam during the facial in order to maximize the structure of the active ingredients. Hot water strips the skin of essential oils whilst cold water has a draining decongestant and firming effect, leaving your skin with a healthy glow. We always use cold water, ice and Biologique Recherche's unique Cryo-sticks to maximize results in our clients skin. Biologique Recherche's products promote toning, anti-inflammatory, sensitivity reduction and pore tightening. The results are amazing leaving your skin with a refreshing sensation.

50m | 110m

DERMAPLANE ONLY

In this service your esthetician will cleanse your face, and use a handheld implement to remove dirt, oil, and debris. Next a hydrating moisturizer and SPF are applied to ensure best results.

50m

AGE DEFYING FACIAL

Protect the integrity of your skin with complexes of peptides and proteins to encourage firming and an increase in elasticity, allowing the face to regain its youthful contours.

Add a custom peel as an enhancement to the service (prices vary).

50m | 110m

CHEMICAL PEELS/PEELS - *Please call the spa for seasonal promotions.*

GENTLEMEN'S FACIAL

We understand that men have special skin care needs and this facial is designed to address your concerns. Warm, moist towels and specially formulated products are used to deep cleanse, detoxify, nourish and condition the skin. Your skin will feel toned, healthy, and vital.

50m | 110m

BACK FACIAL

This is a full facial that addresses the hard to reach back and shoulders and includes deep pore cleansing and extractions as needed. Plus, nourishing hydration that is perfect for all skin types!
